Sir:

We are filing this request in response to the Corrected Decision mailed May 29, 2007, vacating the Petition Decision mailed on September 11, 2006. In order to prepare an adequate Petition for Reconsideration, we are requesting access to the files so that a response can be prepared by the July 29, 2007 deadline. We had previously requested access to the files but were denied based on the files being in the Petition Office. As we now need to file a response to the Corrected Decision, it is imperative that we have a record of what was previously filed in the above case, and respectfully request access to the files maintained by the USPTO. Electronic access via PAIR is insufficient, as this file is officially maintained in paper form.
